4th grader attends inauguration

Sometimes when it comes to getting into exclusive events and witnessing moments in history it helps to have connections.

For Grayling Elementary School fourth grader Erin Higgins, age 10, those connections are with Aunt Shelley Pinkelman, a member of the Crawford County Board of Commissioners.

Pinkelman, who is actually Higgins' great-great aunt, attended Gov. Rick Snyder's inauguration at the Michigan State Capitol on Jan. 1. Snyder, who is a self-described nerd, the founder of Gateway Computers and a venture capitalist, is Michigan's 48th Governor. He

succeeds former Gov. Jennifer M. Granholm, who was prevented from running again because of state term-limit election regulations.

The day for Higgins, the daughter of Kristin and John Higgins, and Pinkelman, started at 5 a.m. on Jan. 1, when they left Frederic and traveled to Lansing.

"She said that some parts would be kind of boring for me, but as I get older, I will start to understand them," Erin said.

The pair of Frederic residents started with an inauguration-day breakfast hosted by new Michigan Attorney General Bill Schuette. Higgins also met new Secretary of State Ruth Johnson. She also met and spent time with

Lt. Gov. Brian Calley, his wife, Julie and children Collin, Reagan and Karagan.

Pinkelman was able to obtain reserved seating for Snyder's inauguration since she worked on campaigns for 36th District Sen. John Moolenaar, R-Midland, and 106th State Rep. Peter Pettalia, R-Presque Isle. Both men also took the oaths of office on Jan. 1.

After a visit with Pettalia in his office and getting her picture taken overlooking the State Capitol, he questioned Higgins on what she wanted to do as far as her personal and career goals. Her response — she wants to be the next woman governor serving the State of Michigan —

Ruling clears way for trial for former city manager

by Dan Sanderson
Staff Writer

Chief 46th Trial Court Judge Janet M. Allen ruled that a jury will have to determine if former Grayling City Manager Dave A. Thayer violated provisions of the Michigan Campaign Finance Act.

In an opinion entered into the records for the Crawford County District Court on Dec. 27, Allen denied a motion seeking dismissal for an alleged charge Thayer faces for producing materials for a former Grayling City Council member who was running for reelection in November 2009.

Under the exact language of the Michigan Campaign Act, Thayer is accused of acting as a public body or an individual acting for a public body who was prohibited from using or authorizing the use of funds, personnel, office space, computer hardware or software, property, stationery, postage, vehicles, equipment, supplies, or other public resources to make a contribution or expenditure or provide volunteer personal services for a candidate or to influence a ballot issue.

Specifically, Thayer is accused of developing a campaign flyer for former City Council Member Thomas Wellman using a computer owned by the city. Thayer is then accused of disseminating that flyer through the use of an e-mail address registered and belonging to the city.

James Hunt, Thayer's defense attorney from Traverse City, argued that the prosecution has failed to prove that a criminal charge has been met in the case. Specifically, the Michigan Campaign Finance Act says the state law does not apply to a person, elected or appointed public official or an employee of a public body who, when not acting for a public body but is on his or her own personal time, is expressing his or her own personal views, is expending his or her own personal funds or is providing his or her own personal volunteer services.

Hunt argued that Thayer could have developed and sent the flyer on his personal time, during a lunch break or other break during the workday.

Snowmobilers fall through thin ice

by Dan Sanderson
Staff Writer

Two snowmobilers, who were trapped in the icy waters of Higgins Lake, were rescued by Michigan State Police Troopers and friends on Saturday.

Trooper Kyle Kehn and Trooper Harold Terry from the Houghton Lake Post of the Michigan State Police responded to Higgins Lake near the west shore Department of Natural Resources' boat launch at 6:15 p.m. on Saturday after two snowmobiles and their riders fell through thin ice.

Troopers arrived at the scene and were directed to the men that were in the water about a half-mile apart.

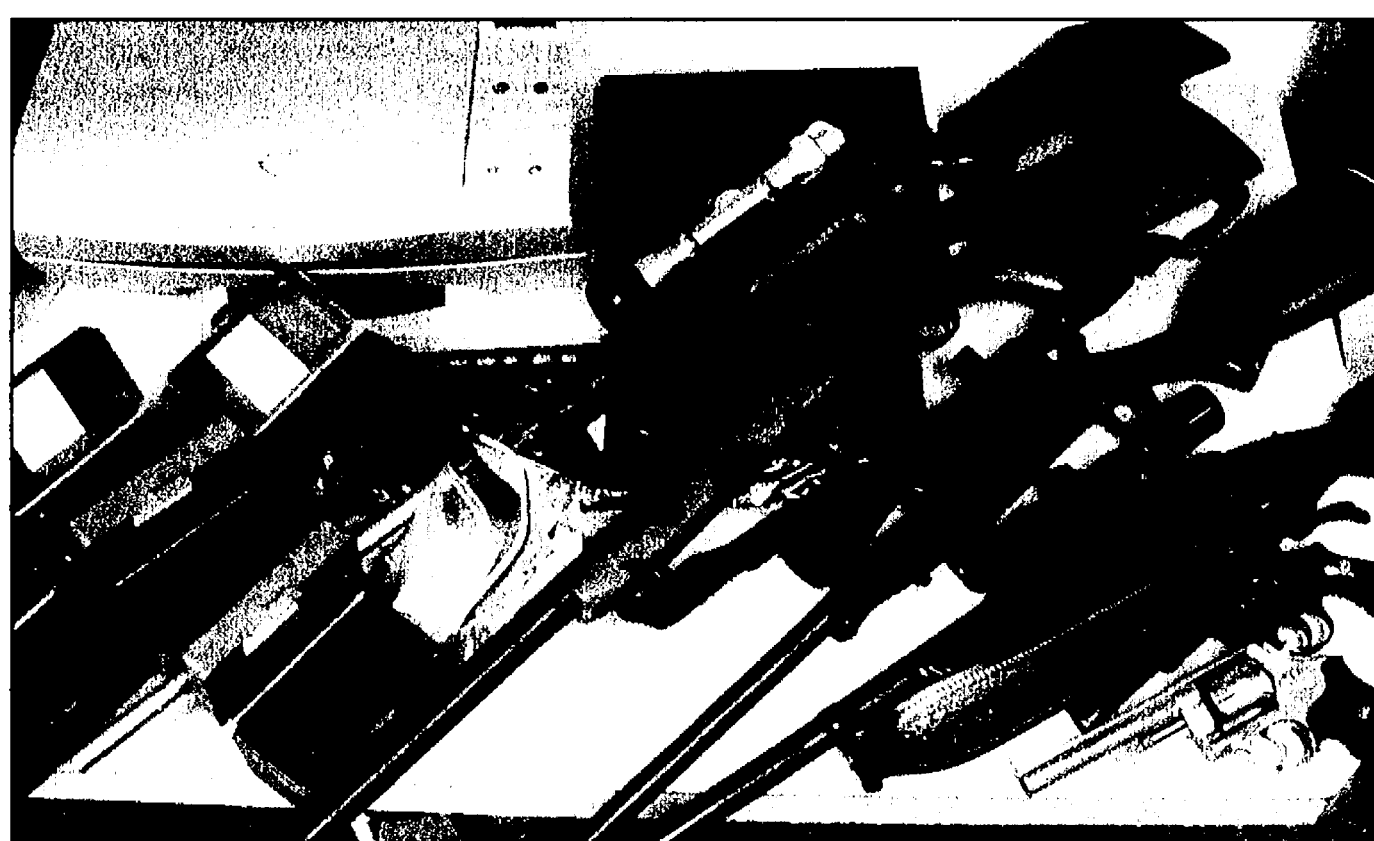

Friends of the victims had been trying unsuccessfully to pull them to safety. At the time, both men had been in the water and fighting for their lives for more than 20 minutes.

Trooper Kehn located Michael Roy of Houghton Lake near the west shore boat launch and was able to deploy a rescue disc to him in the water. Kehn, along with two of Roy's friends, were able to pull him onto safe ice.

At the same time, Trooper Terry located the other man, James Cooper of Chesaning, and deployed his rescue disc. Cooper was pulled onto safe ice by Terry and Cooper's friends.

Cooper and Roy were transported to Mercy Hospital, where they were treated for hypothermia. They are expected to make a full recovery.

State Police remind snowmobilers and others to make sure the ice is safe before adventuring out onto it.

Crawford County Sheriff's Deputies recovered several stolen handguns, high power rifles, ammunition, knives and other stolen items over the New Year's holiday weekend. Above, the stolen guns and handguns are pictured together in the evidence storage room at the Crawford County Sheriff's Office.

DNA leads to stolen gun spree arrests

by Dan Sanderson
Staff Writer

High-tech forensic evidence helped Crawford County Sheriff's Deputies recover stolen handguns, high power rifles, ammunition, knives and other stolen items over the New Year's holiday weekend.

Crawford County Sheriff Kirk Wakefield said the recovery resulted in solving a break-in investigation that deputies handled, which occurred in South Branch Township in February 2010. The items were recovered from a residence in Big Creek Township in Luzerne.

The investigation resulted in the arrest of a 30-year-old Houghton Lake man on various felony charges, and will result in other warrants being issued for others involved. The name of the man arrested as well as the other suspects are being withheld pending arraignment in Crawford County District Court.

Wakefield said DNA taken from a cigarette butt discovered by Deputy Jason Alexander led to the arrest. The DNA matched evidence linked to another crime scene and matched a DNA sample taken from the suspect that he was required to submit to the

court upon conviction of a previous crime.

"This is a good case and there's going to be more charges," Wakefield said. "The guys are really doing a bang-up job on this."

Crawford County Sheriff's Office Detective Sgt. John McDonald said a half dozen of 30 guns stolen during the breaking and entering spree have been taken off the streets and returned to their rightful owners. The remaining guns are expected to be recovered and returned, McDonald said.

Weyerhaeuser awards 'Team Faith' \$1,500 for AuSable clean up

Weyerhaeuser awarded a check in the amount of \$1,500 to 'Team Faith' for its efforts to clean up the South Branch of the AuSable River. Members of the group include, from left, Mary Jo Oppy, Jo Ann Gave, Kitte Rach, Kathi Moss, Weyerhaeuser's environmental coordinator who presented the check, Christin Horndt, Kathleen Wray and Tom Lochinski; and Grace Lochinski, center. They were among a group of about 20 people in mid-September who covered the length of the river from downtown Roscommon to Steckert Bridge, filling about 15 trash bags of debris. This was one of several fundraising efforts in the past two years by Team Faith, which has gathered more than \$15,000 in a campaign to raise money and awareness in the battle against cancer.

Ruling clears way for trial for former city manager

Continued from Page 1

He argued that investigators have not given a break down of when the alleged violation occurred.

"That's really an employment issue," Hunt said during oral arguments for motion to dismiss the case last month. "It's not a criminal issue."

In her ruling, Allen ruled that a jury will have to determine if Thayer was acting as a public official, developed and sent the information on his personal time or during his time working for the city and was offering volunteer personal services.

Hunt also argued that Thayer has been denied

access to a fair and speedy trial since the hard drive from the computer he was accused of using is not available. I.T. Right, a Lansing based firm which offers technical support and services to the City of Grayling and Crawford County governmental agencies, examined the hard drive from the computer. The hard drive has since been reformatted and the computer was placed back into service at the Grayling City Hall in November.

Now, there is no way a forensic expert can examine the hard drive, Hunt said. Neither a copy of the device nor reports from the hard drive were generated for

examination, he added.

"A copy or a report of the hard drive would have been an exact mirror of what was on that hard drive and now that information is not available and can never be recovered," Hunt argued.

Grayling attorney Dave Sabin, who was appointed to serve as special prosecutor for the case, said Thayer could be offered a fair trial without the evidence.

Allen ruled that the lack of access to the information does not prejudice Thayer's ability to have a fair trial.

In October, Chief Roscommon County Prosecutor Mark D. Jernigan dismissed charges

that Thayer faced for allegedly violating the state's Social Security Privacy Act and public officers-making false statements relating to finances.

Thayer was arrested on the Michigan Campaign Act charge a day after the Grayling City Council voted to terminate his contract with the city. Thayer served as Grayling's City manager just over three years. He was paid six months in salary and fringe benefits in his severance package with the city.

Thayer faces one year in jail and a \$1,000 fine, if convicted. The trial has been scheduled for Friday, Jan. 28.

United Way to benefit from tax time program

Crawford County United Way has been accepted to participate in a tax time program through a nationally known tax preparation service, which could potentially raise hundreds of dollars to help people in the community.

H&R Block Foundation's Non-Profit Referral Program has helped charities throughout the United States raise funds within their own communities by making a donation of \$25 for each new client at local H&R Block offices. The donation has no effect on the client's refund as the money

comes directly from the H&R Block Foundation to the designated charity.

"We are very pleased to be able to offer another way for people in our community to give a donation to Crawford County United Way," said Cheryl Ruley, Executive Director. "This donation costs nothing to the taxpayer and means everything to all the agencies helping those in need of a hand up during tough times."

Deb Warwick, office manager for the Grayling H&R Block office, said she is very happy with the Non-Profit Referral Program because it

gets her and H&R Block involved in the community she calls home.

New clients to H&R Block, wherever they may live, can designate Crawford County United Way (CCUW) as their chosen recipient of the \$25 foundation donation simply by telling the person preparing their taxes at any H&R Block office in the country. The number of designations will be tallied, from Jan. 1 through April 19, 2011, and a check will be issued later this spring to the Crawford County United Way. Use Non-Profit ID #4001-

00008-28257 to designate CCUW.

"Every dollar raised through this program will stay in Crawford County to help local agencies achieve their missions and complete their special projects," Ruley said. "Crawford County United Way is grateful for this wonderful fundraising opportunity. So many people and causes are sure to benefit."

Anyone wishing to make a donation to CCUW may send a check to CCUW, P.O. Box 171, Grayling, MI 49738 or contact Ruley at (989) 350-4462.

Railroad company enters plea to resolve criminal case

by Dan Sanderson
Staff Writer

The State of Michigan delivered a railroad company accused of starting a fire that damaged over 1,300 acres of land, three homes and other buildings an early Valentine's Day gift.

The Michigan Attorney General and Attorney Thomas Connolly, a defense attorney representing Lake State Railway, Inc., entered into a plea deal on Jan. 3.

Officials for Lake State Railway, Inc. of Saginaw entered a no-contest plea for a charge of Forests-Fires-Rule Violations, a 90-day misdemeanor which carries 90 days in jail and a \$500 fine.

A stiffer charge for Fires-Willfully-Setting-Forests, a 10-year felony which carries a \$10,000 fine, was dismissed.

Parties agreed to negotiate a restitution amount, which will be agreed to and entered at a sentencing date scheduled for Feb. 14.

Finally, officials for Lake State Railway, Inc. agreed to develop a safety plan as part of the company's probation for the criminal case.

Lake State Railway Inc. is accused of starting the April 24, 2008 wildfire near the City of Grayling and another fire in Arenac County by operating a train engine that threw burning embers from the exhaust system because it was not equipped with standard safety equipment called spark arresters.

The fire burned down 1,300 acres of forest, three homes and other buildings, located on Grayling Game Club property south of

Grayling by Simpson Lake.

The fire resulted in an estimated \$464,000 in timber damage, \$370,000 in personal property damage and \$100,000 in fire suppression costs.

All three homes located on the Grayling Game Club property were rebuilt. One person, who lost a home, moved out of state and a new game club member rebuilt on the property.

The state provided Lake State Railway with reports that several fires occurred off of the tracks the company owns on April 17, 2008. Another fire, which spread and burnt over six acres of land, occurred on May 5, 2005. All fires were consistent and determined to be caused by Engine #2052 operated by Lake State Railway.

Lake State Railway Inc. is still facing a civil lawsuit filed on behalf of Grayling Game Club members seeking to recoup money for the loss of trees and personal property.

According to the civil complaint, Lake State Railway, Inc. was, as a result of decisions and directives of the company officials or with their knowledge and or consent, operating one of its locomotives south of Grayling

without spark arresting equipment or spark arresting equipment that was not properly functioning.

The lawsuit alleges that the rail company owed the Grayling Game Club a duty to use due care in the conduct of its business and operation of the locomotive, which included operating the locomotive with spark arresting equipment or other suitable devices to prevent the escape of fire or sparks.

The lawsuit claims Lake State Railway Inc. is liable for all damages caused by the fire, including, but not limited to the replacement cost of all real and personal property, cost to cure, diminished property value, diminished stock value, regeneration and repair costs, consequential damages, non-economic damages, costs and attorney fees.

The complaint also alleges that the fire caused an unlawful trespass upon the Grayling Game Club's property, which resulted in the loss and damage and injury to thousands of trees for which the rail company

is liable.

The Grayling Game Club is seeking \$1 million for losses and damages.

Almanack

by Richard Milliman

Almanack Review: Wit and Wisdom from 2010

EACH YEAR, regular readers of the Almanack are provided another opportunity to review kernels of wit and wisdom — which some might also be classified as bias and blarney — which appeared in this column during the last 12 months.

Urban reorganization: "Changing neighborhoods alone will not solve the underlying problems of blighted neighborhoods, which are more likely to be caused by poverty and lack of jobs or other sources of legal income. People can be moved around like chess pieces from place to place, but that alone will not solve the economic and social conditions, many of them generational, which cause the problems in the first place."

Smoking ban: State aid to local governments — so called revenue sharing — has been slashed year after year, but another new responsibility may fall to local health and law enforcement officials without any compensating increase in funding. Isn't there already prohibition against something called "unfunded mandates," which means the state cannot require local government to perform state-ordered obligations without reimbursing added costs that may result? That may be one way to help balance the state budget, but this same attitude has helped put local governments, including

school districts, further and further behind the financing eight ball.

Memorial Day: Is it too much to hope that one of America's primary goals as a nation in both world and domestic affairs will be to end the spiral of wars and killing that keeps adding more and more American dead to our Memorial Day honor rolls? Cannot America find and pursue other ways ... less deadly ways ... to conduct America's world affairs and still fulfill our proper role as world leader? There's always hope.

Teacher retirements: It's only a temporary patchwork plan anyway. Young teachers eventually become older teachers with higher paychecks and the same old dollar problems recur. The answer to public budget problems both now and in the foreseeable future is to provide sufficient revenue to pay for what the public wants and expects.

Hometown politics: Perhaps it's a question of influence within the burgeoning "West Michigan" which runs roughly from Grand Rapids/Holland along Lake Michigan to Traverse City and beyond, and which often reflects a distinct and growing parochialism. The big question is when will "West Michigan" petition for separate statehood?

Candidates: In Michigan gov-

ernment, stretching reducing means to cover increasing needs is a Herculean task. More revenue is needed to run state government — and local governments, too — at levels of service to the public which most folks find acceptable. The balance will not be easy to achieve, which is why I have publicly wondered why anybody would want the job as governor. I also wonder why anybody would seriously pursue the role as state legislator. The multitudes of candidates must see something more in the job as state legislator than the unyielding frustration that now seems inevitable. Michiganians should be thankful that so many good and honorable people want to be governor, and so many of the same types of citizen who choose to pursue election to the legislature. Let us hope that we choose the right ones for the task ahead.

Manoogian Party: Did the party really happen? It's still questionable, but does it make any difference now as long as most folks believe it did? Plato's ancient dictum about "pictures in the minds of men" continues as a truism in the decision-making fields such as advertising, politics and other forms of public persuasion: It's not the facts, but what people believe the facts to be, that determine their actions.

Afghan War: The war in

Afghan already is America's longest war. Starting in October 2001. For comparison, our own American Revolution lasted six years, nine months, and US fighting in World War II was three years, eight months. With our allies dropping their support along the way, how long can we — or should we — continue this military action?

Tea Party: According to a June poll, 40 percent of Michigan voters support the Tea Party. My comment: Which Tea Party?

Political debates: Usually in debates, positions and programs will not be as firmly etched in the minds of voters as will impressions of the candidates, especially noting their personalities. In many ways debates serve no significant informational purpose, but they can be vital for the impressions of the candidates they help create.

Population: Folks from Wayne, Oakland and Macomb Counties often point out that about half the Michigan population lives in Southeastern Michigan, the Detroit Metro area. Of course, the other half does not.

No New Taxes: Spending cuts in the 2010-11 state budget are estimated at about \$200 million and budget makers claim no new taxes are levied. Among the cuts is money for higher education, reduced by 2.8 percent. Chances

are pretty good that most of the 15 Michigan state colleges and universities will raise tuition and/or student fees to replace the reduction in state money. No new taxes? Check with college students and their parents when the next school year gets here. A tax by any other name still hurts the same.

Words, words: In the latest issue of The Michigan Manual, our state constitution, including index and amendments, covers 54 pages. In the same book, the United States Constitution and all its amendments and history of their adoption, cover 17.

Ticket splitters: Dating back 50 years or more, Michigan voters seemed to delight in dividing control of state government between parties. Michigan's once famed ticket splitters, however, must have stayed home this time. Those days may be gone forever. The ferocity with which both parties seem to hold to their positions, enforcing an all-or-nothing attitude, makes political cooperation extremely difficult these days and may be pushing ticket splitting out into the cold. Too bad. As well as I can remember, I have never voted a straight party ticket, and probably never will.

To the editor:

Appreciated your article regarding the appointment of my husband, Robert "Bruce" Zalobsky to the Crawford County Board of Trustees. But I am puzzled as to where you found some of your information. First, our property was purchased

from Margaret Chappell; a well-known (now deceased) resident of Grayling. My husband's parents were deceased at the time of the sale. Also our son's home is not on the river, but is in Grayling Township. And last, at no time did my husband refer to himself as a

"financial guru." Those are your words. He is an ordinary citizen who hopes his business background will be of some help to the Board. Please feel free to call us anytime you need verification of the facts.

The Bible Speaks

Bless Your Persecutors

In Romans 12:9-13 we have studied how God's love makes us honest, humble, helpful, pleasant, patient, prayerful, compassionate, and cordial. Now in Romans 12:14-16 God's love teaches us principles for reaction to adverse treatment by others. Then in Romans 12:17-21 God's love teaches us how to put these principles into practice in our daily lives.

First, God commands us to bless our persecutors: "14 Bless them which persecute you...." Our Lord taught this principle in Matthew 5:43-45: "43 Ye have heard that it hath been said, Thou shalt love thy neighbour, and hate thine enemy. 44 But I say unto you, Love your enemies, bless them that curse you, do good to them that hate you, and pray for them which despitefully use you, and persecute you; 45 That ye may be the children of your Father which is in heaven: for he maketh his sun to rise on the evil and on the good, and sendeth rain on the just and on the unjust." 1 Thessalonians 5:15 says, "15 See that none render evil for evil unto any man; but ever follow that which is good, both among yourselves, and to all men." This truth is restated in Romans 12:21: "Be not overcome of evil, but overcome evil with good."

Second, we see the cause or reason to bless our persecutors. We are told in 1 Peter 2:21-23 this was our calling and example of Christ for us to follow: "For even hereunto were ye called: because Christ also suffered for us, leaving us an example, that ye should follow his steps: Who did no sin, neither was guile found in his mouth: Who, when he was reviled, reviled not again; when he suffered, he threatened not; but committed himself to him that judgeth righteously." Even on the cross our crucified Lord said in Luke 23:34: "...Father, forgive them; for they know not

what they do..." We don't get even, we serve a God who claims that right in Romans 12:19: "19 Dearly beloved, avenge not yourselves, but rather give place unto wrath: for it is written, Vengeance is mine; I will repay, saith the Lord."

Third, we are not to seek a curse or vengeance upon our enemies. "...Bless and curse not." Living by love makes us a blessing to others, not a burden, nuisance, pest, bother annoyance, irritation, or threat. God promises to bless us when we bless our enemies in 1 Peter 3:9: "Not rendering evil for evil, or railing for railing: but contrariwise blessing; knowing that ye are thereunto called, that ye should inherit a blessing." God's love teaches us to treat others the way we want to be treated in Matthew 7:12: "12 Therefore all things whatsoever ye would that men should do to you, do ye even so to them: for this is the law and the prophets. James 2:12,13 reminds us we will be judged by the law of liberty which requires us to show mercy: "12 So speak ye, and so do, as they that shall be judged by the law of liberty. 13 For he shall have judgment without mercy, that hath showed no mercy; and mercy rejoiceth against judgment." As Matthew 7:2 said: "2 For with what judgment ye judge, ye shall be judged: and with what measure ye mete, it shall be measured to you again. "15 But if ye forgive not men their trespasses, neither will your Father forgive your trespasses." (Matt. 6:15). "37 Judge not, and ye shall not be judged: condemn not, and ye shall not be condemned: forgive, and ye shall be forgiven." (Luke 6:37).

Crawford County Commission on Aging Annual Review

Oct. 1st, 2009 - Sept. 30th, 2010

The Grayling Senior Center offered more than 38 different types of activities and programs which were attended by 891 individuals during the last year.

Some of the programs include:

- Food Commodities were delivered to 117 people.
- Meal Coupons for free Congregate meals were distributed to 32 seniors.

- 211 seniors received help with their Medicaid and Medicare benefits.

- On average 138 people attended the monthly Senior Center special dinners.
- 128 seniors received "Senior Project Fresh" farm market coupons.
- 38 people made use of Senior Center computers logging 608 hours.
- The Commission on Aging web site received 7,623 visits by 3,425 unique visitors.

How Are We Doing?

In a recent survey, 85% of our Congregate participants rated their meals excellent or good.

Total Budget Information

On the Horizon.....

In August 1992, the voters of Crawford County passed a 1/2 mill levy on all property to assist in the operation of the Commission on Aging. As you can see, this millage represents 1/2 of our revenue. After 20 years, this millage will expire at the end of 2012. Many things have changed in 20 years - our millage has been affected by the Headlee Rollback, numbers of seniors have increased in Crawford County and as we all know everything is more expensive. As we strive to meet the needs today, please help us think about how we will support this organization in the future. Voters will be asked to decide in 2012.

Thank You Volunteers!!

Over 148 volunteers contributed over 4,703 hours to help make the Commission on Aging programs a success last year. This equates to \$37,515 in staffing dollars saved. In addition volunteers raised \$6,926 for a total of \$44,441 generated by our volunteers!!

Challenging Times....

The Crawford County Commission on Aging is not unlike many small, non-profits today who are struggling to meet the needs of their consumers in the face of budget reductions and rising costs. Last year, federal economic stimulus monies helped plug the holes. This year, we have lost the federal economic stimulus monies, have faced our 2nd year of state budget cuts and for the first time in the history of our local County millage, we have seen a decrease here as well. Our total revenue loss from last year was 6%. This is almost equivalent to 1 full time employee.

The Commission on Aging has met these challenges by tightening our belts and trimming around the edges without making any significant cuts to services. We still have been able to honor our commitment to serve all seniors in need who live in Crawford County without waiting lists. In order to accomplish this, our fund balance has and will continue to have to be used. Your continued support is needed now more than ever.

Ski team has mix of returners, rookies, exchange students

Girls' squad has more experience, depth this year

by Caleb Casey
Senior Staff Writer

Grayling High School's 2011 ski team has one experienced group - its girls' squad - and another group, the boys, consisting mostly of underclassmen. The team, which had its first meet late last week, had its practice routine disrupted by the lack of snow two weeks ago.

The team started its indoor practices on Nov. 22. Early sessions included "lifting, running, physical conditioning, and muscle building," Coach Tim Gariglio said.

In mid-December the skiers were able to get out on the hills for practices, skiing locally at Hanson Hills and at Schuss Mountain in Bellaire, but the thaw around New Year's Day hampered some of the squad's efforts to get ready for the 2011 season.

"It's been frustrating because of the snow melting," Coach Gariglio said, adding that he's "seen improvements already with the days we've had (outside)."

This year's team has solid overall numbers with 20 skiers.

"That's actually a pretty big team," Coach Gariglio said.

The squad has a mix of experienced skiers and rookies. The team also includes six foreign exchange students, a group that

Coach Gariglio described as "Germany to Ecuador, from skiing to never seen snow before."

The girls' squad has six returning skiers this year and 11 skiers total. The team: Ciara Summers, Peggy Currison, Emily Wingard, Katie Lange, Alex Boudoux, Rachel Jensen, Elle Smith, Nina Mertzbach, Gaby Pinciros, Tessa Lantonnois, Mille Bisgaard.

"The girls' depth will be pretty strong this year," Coach Gariglio said. "They have three returning seniors (Summers, Currison, Lange) that will carry the majority of the load."

Coach Gariglio said the boys' team, with its younger group, is in a "rebuilding" phase this year. The group has only one returning senior (Roger Heggie). The squad: Heggie, Curtis Wilson, Jordan Bulmer, Aaron Kiessel, Nick Amaya, Nathan Moery, Caspar Szymanski, Kevin Ningelgen, Nick Swiercz.

"On the boys' side there's a lot of new blood, only two returners from last year," Coach Gariglio said. "It's a rebuilding year. We've got a lot of young kids. They've got a lot of talent, just need to develop it."

The Vikings will host the Grayling Invitational at Schuss Mountain on Friday, Jan. 14, at 10 a.m.

Freshman squad wins 62-28 vs. Bobcats

The Grayling Vikings defeated the Houghton Lake Bobcats 62-28 in a freshman boys basketball contest played at Grayling Middle School last Tuesday.

"The team came out strong in the first two quarters. They played with high energy, which was a concern coming off break, but they had 19 steals and 29 deflections. We also had 13 offensive rebounds," Coach Craig Hofman said. "I challenged them to play better overall man-to-man defense in the second half and the team only gave up 10 points combined in the third and fourth quarters. Offensively we struggled putting the ball in the basket in the second half of the game, only scoring 15 points. Houghton Lake ran some zone, which we had not yet seen and we struggled moving the ball and getting a good shot."

Tyler McClanahan had 19 points, eight assists, six rebounds, and three steals. Geoff Wilson scored 13 points for GHS.

"Tyler had a great well-rounded basketball game, which is the goal for all of our players. Geoff struggled with foul trouble but still contributed nicely offensively," Coach Hofman said.

"Matt Burrell had six points, four assists, five rebounds, and also played a very well-rounded basketball game. Peyton Zigila had eight points and started to show some real hustle out on the floor, which will be important to us in the future. Scott Wakely had two points but added four steals, seven deflections, and three boards and played hard and smart all game long. Tyler Summers and Brandon Latusek added four points each and helped us get out to a good start."

Richie Sanford, CJ White, and Mitchell Thompson also scored points for the Vikings.

On Friday night, Grayling won 59-39 vs. Harbor Springs in a game played at GMS.

"We struggled in the first two quarters putting the ball in the basket and Harbor did a good job of getting through our press for some easy buckets. We just seemed sluggish defensively and offensively we were not running an offense and taking bad shots," Coach Hofman said.

Grayling trailed 27-26 at halftime.

"This was an opportunity for the team to rise up and challenge themselves for

the first time this year and they did so in the third quarter, outscoring the Rams 21-7. They played much better offensively but the defensive pressure began to cause turnovers, which we also converted into quick points," Coach Hofman said. "It was nice to see the team respond positively to some adversity. I felt that they played together as a team in the third and fourth quarters better than they had all year. This will help us in the future."

Wilson had 17 points, five rebounds, and four steals. McClanahan had 13 points.

"Scott Wakely had 13 points, four offensive boards, and helped keep us in the game in the first half. Scott had a great all-around game. Michael Branch had 10 points, five offensive boards, and five defensive boards, and played very well in the second half to help us pull away. Peyton Zigila had four points and a good defensive game; he added four rebounds and four steals. Matt Burrell had five assists, three defensive boards, and five steals," Coach Hofman said.

Grayling (3-0 overall) will play at Elk Rapids at 4:15 p.m. on Friday, Jan. 14.

9th grade Bobcats pull away in last 12 minutes vs. Grayling

Grayling trailed by only two points, 18-16, halfway through the third quarter of last Monday's freshman girls basketball game vs. Houghton Lake, a contest played at Grayling Middle School, but the visiting Bobcats pulled away down the stretch, outscoring the Vikings 31-10 in the final 12 minutes of regulation.

The two teams combined for only 10 points in the first period. Grayling scored its four points with a jump shot by Hailey Petty and an inside shot by Makayla Cragg.

Houghton Lake opened the second quarter with an 8-0 run.

Grayling, trailing by 10, responded with a 6-0 run that included a jumper by Petty and two lay-ups by Tandy Mitchell.

The Bobcats scored the last two baskets of the second quarter. Houghton Lake had an 18-10 advantage at halftime.

The Vikings opened the third period with six unanswered points, scoring on inside shots by Cragg and Whitney Schans and a jumper by Petty. Grayling trailed 18-16.

A 7-0 run by Houghton Lake gave the Bobcats a 25-16 advantage. Cragg scored an inside shot for GHS. Two drives by Houghton Lake put the Bobcats up by 11. Petty scored two for the Vikings with an inside shot. Houghton Lake led 30-20

going into the fourth period.

The Bobcats outscored Grayling 19-6 in the final eight minutes, including an 11-2 run in the last three minutes of the game. Grayling scored its six fourth quarter points with two free throws by Colbie Wakeley, a lay-up by Mitchell, and a jump shot by Schans.

Petty finished with eight points. Cragg and Mitchell scored six points apiece.

"I thought the girls battled hard and we were right with Houghton Lake throughout the game. They just hit some shots in the fourth quarter and we couldn't buy a bucket," Coach Brooke Knight said. "We are continuing to learn and work hard and are growing into better basketball players bit by bit."

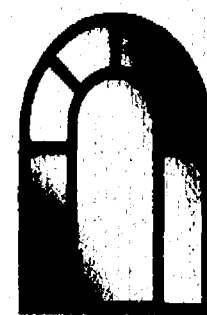

On Thursday night, the freshman team lost by four, 22-18, at Harbor Springs.

"Today was a tough game for us because we were without our point guard and had to make some significant adjustments. The girls caught on and played hard until the very end of the game. It was another hard-fought battle, but I think we learned a lot from this game. (We) are looking forward to taking that with us as we begin the second half of our schedule," Coach Knight said.

Petty scored six points at Harbor Springs. Wakeley, Cragg, Schans, and Maddie

Nielson also scored points for Grayling.

The Vikings will host Elk Rapids at 6 p.m. on Thursday, Jan. 13, at GMS.

Defense wins it for JV team, 45-28

The Grayling Vikings defeated the Houghton Lake Bobcats 45-28 in a JV boys basketball game played at GHS last Monday.

The team didn't shoot well - the Vikings were 12 for 43 from the floor and 12 for 27 from the free-throw line - but Grayling was able to generate 24 steals on defense.

"In the first half we simply struggled to put the ball in the basket. Give some credit to Houghton Lake defensively, but for the most part we missed a lot of wide open shots and lay-ups. In the end it was our defensive pressure and energy that won the game," Coach Chris Kucharek said.

Wes Dean had 12 points, including a 7 for 8 performance at the free-throw line. Mason Krey had seven points and Louis Menard had six points. Jeff Enos had four points and eight rebounds. David Somero scored two points.

The win improved Grayling's season record to 5-0.

Grayling fell 70-64 at Harbor Springs on Thursday night.

"Our slow start hurt us. We scored five points in the first quarter and 59 points for the next three quarters. I was proud of the character the kids showed. We were down 10 at halftime and outscored Harbor 20-5 in the third quarter. We had a seven-point lead with 5:38 to go in the game and hit a dry spell offensively. Harbor had a seven-point lead with 1:18 to go when Justice Junttila hit a three ball and Jake Swander scored on the next possession to cut the lead to two points with 38 seconds left in the game. In the end we just ran out of time," Coach Kucharek said. "This was by far the best offensive game we have played this year but we gave up too many lay-ups defensively."

Junttila had 21 points, four rebounds, and five steals. Tyler Powers had 13 points. Swander had eight points and six steals. Enos had six points and eight rebounds. Levi Korneli had five points. Jacob Robinson had four points.

Grayling (5-1 overall, 1-1 league) will host Elk Rapids on Thursday, Jan. 13.

Seven players scored at least five points for GHS on Friday: Enos (18), Tobin (12), Parkinson (10), Dawson (8), Aubry (7), Burrell (7), Zigila (6). Dean and Enos had seven rebounds apiece.

"I was very pleased with our defensive intensity throughout the game. Our kids were very active defensively and we did a very good job of defending," Coach Moffit said. "It was a special game because we had a number of alumni back in town to watch the game. We honored the 1981 team at halftime and had an alumni game on Saturday. It was a great weekend."

The Vikings (6-0 overall, 2-0 league) will play at Elk Rapids, another conference opponent, on Friday, Jan. 14.

"We need to continue to improve. Defense is going to be a key for us if we are going to have a special season," Coach Moffit said.

Grayling outscores Bobcats in all 4 quarters, wins 52-35

Vikings end win streak at three with 51-48 loss Friday

by Caleb Casey
 Senior Staff Writer

The Grayling Vikings outscored the visiting Houghton Lake Bobcats in all four quarters of last Tuesday's nonconference varsity girls basketball game, building a steady lead throughout the contest and finishing with a 52-35 victory – the squad's third consecutive win.

The Vikings trailed 6-4 early in the game but finished the first period with a 9-0 run. Grayling scored its 13 first quarter points with two baskets by center Abbey Thomas, a drive by guard Teresa Schreiber, a three-pointer by guard Shalee Miller, two free throws by guard Cierra Prosser, and a short jump shot by Schreiber at the buzzer following a steal under the basket.

Houghton Lake scored the first points of the second quarter. Thomas scored two for GHS with a put-back. A three-pointer by Miller gave Grayling an eight-point lead, 18-10. The Bobcats scored five unanswered points to pull within three. Grayling scored four with jump shots by Schreiber and Thomas. Houghton Lake scored two on a drive.

Schreiber hit a three-pointer at the 1:38 mark. Guard Jo Hamlin scored on a put-back. Houghton Lake scored the last two points of the first half with two free

throws. Grayling, after edging Houghton Lake 14-13 in the second period, led 27-19 at halftime.

Grayling scored the first two baskets of the third quarter – a jumper by Schreiber and an inside shot by forward Caitlin Prosser – to lead by 12. Schreiber hit another jump shot at the 5:17 mark. Hamlin stole the ball and hit a jump shot to put Grayling ahead by 14, 35-21. The Vikings scored six more points in the period with a drive by Ca. Prosser, free throws by Ca. Prosser and forward Ann Hamlin, and a basket by J. Hamlin.

Grayling, adding four to its lead with a 14-10 third period, led 41-29 going into the final eight minutes.

The Vikings opened the fourth quarter with a 9-1 run, allowing only one point in the first five minutes of the period. The series included a lay-up by Thomas, a triple by Miller (her third of the game), and two put-backs by Thomas. J. Hamlin scored Grayling's final basket.

The Vikings won 52-35, finishing the match with an 11-6 fourth quarter performance.

Thomas had 14 points and 10 rebounds for Grayling. Schreiber had 13 points, five assists, and five steals. Miller had nine points (three three-pointers). J. Hamlin had eight points, eight rebounds, and five assists.

"Our girls played a very complete game. Although we struggled again from the free-throw line, the rest of the game was pretty sound. Our press started our offense, as always. Our rebounding was better as well as our shooting. Defensively, we were able to harass (Houghton Lake) for 94 feet. I felt this was our best all-around game," Coach Joe Powers said.

Grayling lost by three in a league game vs. the visiting Harbor Springs Rams on Friday night.

The Vikings led 12-5 after one quarter of play. Grayling scored its 12 with a drive by Schreiber, an inside shot by Thomas, and free throws from J. Hamlin, Thomas, and Miller.

Grayling opened the second period with a 6-0 run to lead by 11, 18-5. The series included two baskets by Thomas and a jumper by Schreiber. Harbor Springs scored 10 of the game's next 13 points to pull within six.

Grayling had a 26-20 advantage at halftime.

The Rams opened the second half with a 7-0 run to lead by one. Thomas scored two inside shots for GHS. Harbor Springs tied the score at 30-30 with an inside shot at the 3:33 mark. The Rams led by one, 39-38, going into the fourth period.

Grayling 5-1 in the first four minutes of the fourth quarter. At the 3:52 mark, J. Hamlin scored two for Grayling with a drive to the basket. Schreiber hit one of two at the free-throw line. An inside shot by A. Hamlin tied the score at 44-44 at the 2:38 mark. One free throw by J. Hamlin gave the Vikings a one-point lead.

Harbor Springs hit two free throws to retake the lead. One free throw by Thomas tied the game at 46-46. The Rams scored two on an inside shot. At the 1:09 mark, Harbor Springs added one to its lead with a free throw.

Harbor Springs killed clock time until Grayling fouled, leaving 26 seconds remaining in regulation. The Rams missed both free throws and Grayling grabbed the rebound. Thomas scored an inside shot, pulling Grayling within one with 15 seconds left in the game. The

Vikings fouled to stop the clock; Harbor Springs hit both free throws.

Grayling's three-pointer at the buzzer missed, and Harbor Springs won by three, 51-48.

Neither team shot well from the free-throw line; Grayling finished at 41 percent (16 for 39) and Harbor Springs shot 50 percent (15 for 30). The Vikings were 6 for 19 from the line in the second half.

Thomas finished with 18 points, eight rebounds, and four blocks for GHS. J. Hamlin had 13 points and six assists. Schreiber had eight points and four steals. Ca. Prosser had 12 rebounds, and A. Hamlin had 10 rebounds.

"We played a very tough and physical game tonight as

(Harbor Springs) played extremely hard. In a very tight game that was evenly matched, the game came down to free throws. Tonight, we did not do very well from the free-throw line as we missed 23 free throws. We missed some opportunities. We played good enough to win, but we weren't able to convert on some break-away baskets or from the free-throw line. It's difficult to win giving away 23 points from the line, but free throws win games and can also not win games. We played very hard and hopefully we can learn from tonight," Coach Powers said.

Grayling (4-3 overall, 1-1 league) will play at Elk Rapids on Friday, Jan. 14, at 6 p.m.

JV basketball team wins by three vs. Houghton Lake

The GHS junior varsity girls basketball team won by three, 34-31, at Harbor Springs on Thursday night.

"We played a tough game on the road and had our best shooting night of the season," Coach Doug Pummell

said. "We played a good fourth quarter to come away with the win."

Tara Pummell had 10 points for Grayling. Meagan Malm scored nine points. Rachael Dubriwny (6), Alyssa Morley (4), Stanna

Dorn (2), Shanley Dorn (2), and Hannah Haven (1) also scored points for the Vikings.

On Monday night, Grayling lost by five, 28-23, vs. the visiting Houghton Lake Bobcats.

"We continued to play good defense and struggle shooting," Coach Pummell said. "The impressive part of the game was being down nine at the start of the fourth quarter and fighting back within two. The girls

showed a lot of character and heart."

Dubriwny had six points and four steals. Haven had five points and five rebounds. Malm had four points and seven steals. Morley had four points.

Maddie Benardo had two points and five rebounds. Pummell had two points.

The Vikings (4-3 overall, 1-1 league) will host Elk Rapids at 6 p.m. on Thursday, Jan. 13.

Grayling Charter Township to hold public hearing on rezoning proposal

Grayling Charter Township will hold a public hearing on Wednesday, January 19, at 11 a.m. in the township hall to hear input and discuss the proposed rezoning of properties on the north side of North Down River Road, that directly face and touch the right-of-way, from Elmwood Cemetery to Roberts Road.

The proposal is to rezone that portion of the road from residential to general commercial, for the road right-of-way to a distance equal to the back of the facing lots, or 210-feet, whichever is less. If this section of the road is rezoned, it will not affect the current status of residential properties in that zone, nor will it raise the taxes of those properties.

Please plan to attend this hearing, or send your comments in writing to: Terry Wright, Supervisor, Grayling Charter Township; PO Box 521; Grayling, MI 49738

Terry R. Wright, Supervisor

Crawford County Board of Commissioners meeting minutes are now available on the county website: www.crawfordco.org eight days following the scheduled board meeting or may be obtained at the County Clerk's office for six (6) cents per page.

NOTICE OF SHOW CAUSE HEARING AND JUDICIAL FORECLOSURE HEARING for NON-PAYMENT OF PROPERTY TAXES

On March 1, 2010, real estate with unpaid 2008 and/or prior years property taxes was forfeited to the Crawford County Treasurer pursuant to the General Property Tax Act, Public Act 206 of 1893, PA 206, MCL 211.1 to 211.157, as amended.

The Crawford County Treasurer is acting as the Foreclosing Governmental Unit in proceedings to foreclose on properties for unpaid 2008 and/or prior property taxes.

There are two hearings scheduled to finalize the foreclosure process. This publication is intended to provide additional notice to parties of interest in these parcels as to the nature, time, and location of these hearings.

A Show Cause Hearing is scheduled for 9:00 A.M. to 2:00 P.M. January 19, 2011 at the Office of the County Treasurer, Crawford County Building, 200 W. Michigan Ave., Grayling, MI 49738.

Any person with an interest in the property forfeited to the County Treasurer may appear at the Show Cause Hearing and redeem the property or show cause why absolute title to that property should not vest in the Foreclosing Governmental Unit.

A Judicial Foreclosure Hearing is scheduled for 8:59 A.M. February 7, 2011 at the Crawford County Building, Circuit Court Room, 200 W. Michigan Ave., Grayling, MI 49738.

At this hearing the Foreclosing Governmental unit shall ask that the court enter a judgment foreclosing property as requested in the petition for foreclosure. A person claiming an interest in a parcel of property set forth in the petition for foreclosure, who desires to contest that petition, **must file written objections** with the clerk of the 46th Circuit Court, and serve those objections on the Crawford County Treasurer as the Foreclosing Governmental Unit. The Docket number for the Petition is 10-8157-CZ.

If you are a person with an interest in property being foreclosed:

- You have the right to redeem this parcel from the foreclosure process by payment of all forfeited unpaid taxes, interest, penalties, and fees prior to the expiration of the redemption period. You should contact the Crawford County Treasurer for the amount required to redeem.
- You may lose your interest in the property as a result of the foreclosure proceeding.
- The title to the property shall vest absolutely in the Foreclosing Governmental Unit unless all forfeited unpaid delinquent taxes, interest, penalties and fees are paid by March 31, 2011.

PLEASE NOTE:

The following list represents parties that appear to have title, lien, or other apparent rights to the parcels being foreclosed by the Foreclosing Governmental Unit.

This notice is required to be given by law, even if the party no longer claims or desires an interest if it appears they hold any **undischarged, apparent, or potential** title or lien right to the property listed.

A listing of a party or person does NOT necessarily indicate that they are the owner of a parcel, or that they are liable for the property taxes.

This list is NOT an offering of property for sale. These parcels are NOT being sold, auctioned, or otherwise made available by virtue of this notice.

There is no procedure for purchasing these parcels from the Foreclosing Governmental Unit at this point in the foreclosure proceedings. Those parcels that are foreclosed and not redeemed may become available at public auction after July of 2011. These parcels remain the property of the current owner until redemption rights have expired. No party or person should make any attempt to inspect or enter upon these parcels assuming them to be for sale. This may constitute trespassing and subject the offender to criminal prosecution. The street address of the parcels listed is based upon local records and is not guaranteed to be the actual location of the property.

The amount due listed indicates the balance which was due as of March 1, 2010. The **current amount** required to redeem **must be obtained from the Crawford County Treasurer**, as additional penalties, fees, and interest have accrued since forfeiture.

Fourth grader attends inauguration ceremonies at Lansing State Capitol

Continued from Page 1
repeating the feat achieved by Granholm.

"I thought that was cute," Pinkelman said.

Higgins returned to school with her fellow students after the winter break on Jan. 3, and gave a recap of her visit to the State Capitol. Her teacher is Sandra L. Baynham, who also serves as clerk for the Maple Forest Township Board. Pinkelman's county commissioner's district covers Maple Forest Township and Frederic Township.

Baynham said Higgins did a top-notch job with her presentation, which will serve as a kick-off for an upcoming study unit on government.

"We do a very extensive study on government within our social studies unit," Baynham said. "It went very well. The kids were interested in what she had to say. She did a very nice job."

Higgins said her favorite

part of the inauguration day activities included a fly over of jets by the Michigan Air National Guard and a 21-gun salute by the Michigan National Guard for Michigan's new commander-in-chief.

Pinkelman said she was tickled to provide her niece with the experience.

"It shows that it's not all dry," she said. "It's not all stuffy and we have fun and we do a lot of fun things."

Pinkelman said she was honored to spur Higgins' interest by attending a once-in-a-lifetime event.

"If you start them young and get them involved in government and serving the community - we need that to continue," said Pinkelman, who has served on the Crawford County Board of Commissioners since 1998.

Kristin Higgins said she is pleased to see the family bond continue for special events, day-to-day activities and weekend visits.

After attending Michigan's Inauguration Day ceremonies on Jan. 1, Erin Higgins and her Aunt Shelley Pinkelman, a member of the Crawford County Board of Commissioners, visited 106th State Rep. Peter Pettalia, R-Presque Isle, in his office. Above, Higgins is pictured with the State Capitol building in the background.

Girl Scouts to hit the streets with cookies

Girl Scouts across northern and western Michigan are gearing up for the annual Girl Scout Cookie Program, which kicks off Jan. 22 and runs through April 16.

The Girl Scout Cookie Program is the largest girl-led business in the country, generating over \$750 million for girls and communities nationwide. But, the program is more than just a fund raiser, it helps girls gain the courage, confidence and character to become tomorrow's leaders.

"Girls look forward to participating in the Girl Scout Cookie Program each year because it's not only fun and exciting, but it's a real world business experience," said Taryn Myers, product sales director for Girl Scouts of Michigan Shore to Shore.

In fact, the core of the Girl Scout Cookie Program focuses on teaching girls five essential skills including goal setting, business ethics, money management, decision making, and people skills, all which will help girls in their future, whatever they choose to do.

"It takes a lot of confidence for a girl to go up to someone and ask them to buy a box of cookies," explained Myers. "What a

great way for girls to learn people skills and build their confidence."

This year, Girl Scouts can also track their goals online and even become part of a safe, online Cookie Club asking their friends and families to purchase cookies. And because girls are now even more internet savvy, they can secure orders through social networks; however, Girl Scouts cannot collect money online for the purchases.

"It's amazing to see what each girl comes up with and watch them achieve their goals," said Myers. "We have some really talented future entrepreneurs, which is what the Girl Scout Cookie Program is all about. It's even been credited by many businesswomen as the place they learned their early business skills."

Girl Scout Cookies are \$3.50 a box, and all proceeds stay within the Girl Scouts of Michigan Shore to Shore council to help fund girl-led programming. A portion of the proceeds also goes directly to the girls, whether individually or in a troop, for service projects, trips or to participate in special events.

During the 2011 Girl Scout Cookie Program, Girl

Scouts will continue to support the community by offering the Gift of Caring option to all consumers, where they can purchase cookies and elect to have them donated to the Gift of Caring charity.

"Gift of Caring is a great way for those individuals who may not be able to enjoy the cookies for dietary reasons or other reasons to support the girls and give back to the community," said Gloria Lara, chief executive officer for Girl Scouts of Michigan Shore to Shore. "The girls have the choice to donate the cookies back to the council-sponsored charity or they can choose a charity of their own."

This year, the Girl Scouts of Michigan Shore to Shore is proud to partner with Michigan Blood as the official council-sponsored Gift of Caring charity.

The 2011 Girl Scout Cookie Program starts with initial pre-orders from Jan. 22 to Feb. 14. Girl Scouts will also be selling cookies at various cookie booths throughout the council's 30 counties in northern and western Michigan. Cookie booths will take place March 26 through April 16.
